The verse numbers of the four verses are 89, 54, 58, and 27.

\[
89 + 54 + 58 + 27 = 228
\]

\[
228 = 19 \times 12
\]

The verses shown above further state that Muhammad is a human being who dies like the rest of us, and that we shall follow **ONE SOURCE** of law, rather than a number of contradicting sources. The **ONE SOURCE** is identified in verse 28 above as QURAN.
