The only other chapter initiated with the letter "Q" is Chapter 42, entitled "Al-Shoora - Consultation." The frequency of occurrence of the letter "Q" in this chapter is exactly the same as Chapter "Q": 57 (19 x 3).
Thus, the only two chapters initialed with the letter "Q" contain exactly the same number of "Q's"; 57 & 57.

\[ 57 = 19 \times 3 \]

Please note:
Chapter 42 is more than twice as long as Chapter 50.
